

## *icing flavors*

We use only the finest ingredients, and that includes our icing. Whichever you choose, we're confident it will be the best you ever tasted.

### BUTTERCREAM

Simple, sweet, and unbelievably satisfying. Butter, Sugar, Milk, & Vanilla (and maybe cocoa if you choose). That's all it takes to whip up the spectacular decorating medium that is our buttercream icing. Call, schedule a tasting - or just stop in and try one of our cupcakes - and see for yourself.

### FONDANT

Poor fondant has such a bad rep. "Nice to look at, not to eat" they say. But we only use the best fondant. We agree - the cheap stuff is awful, but quality fondant is darn-right tasty. Plus, we never drape anything over our cakes without a healthy layer of our buttercream first. Rest assured- if your design calls for the smooth draping of fondant, you will have the best of both worlds.
